Varric Tethras

Character Guide

The Guy Who Knows a Guy

LOOK FOR THE BEST DRESSED MAN IN Lowtown and you'll find Varric Tethras. There among the gamblers and thieves, this merchant prince holds court, spinning his stories as he robs the room blind.

The famed companion to the Champion of Kirkwall knows a good shirt can sell a story, and the right clothes are every bit as valuable as coin. Born a surface dwarf, Varric's dress is a subtle snub to tradition, foregoing the typical beard while making light of ostentatious merchant families.
