Character Guide

# The Warden

**A**s a Grey Warden, Blackwall forfeits living his own life for serving one of selfless duty. By fighting against the forces trying to tear down the world, he is rewarded with becoming part of a greater whole. And he would sooner sacrifice his very self than the cause he stands for.

Blackwall dons a Grey Warden Warrior's armor, colored in blue. His shield bears the likeness of a griffon's wing, and a raised pauldron guards him from high blows. His gauntlets are studded for both defense and offense in close encounters.
