Important Health Warning: Photosensitive Seizures

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people with no history of seizures or epilepsy may have an undiagnosed condition that can cause “photosensitive epileptic seizures” while watching video games. Symptoms can include light-headedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, momentary loss of awareness, and loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects. **Immediately stop playing and consult a doctor if you experience any of these symptoms.** Parents, watch for or ask children about these symptoms—children and teenagers are more likely to experience these seizures. The risk may be reduced by being farther from the screen; using a smaller screen; playing in a well-lit room, and not playing when drowsy or fatigued. If you or any relatives have a history of seizures or epilepsy, consult a doctor before playing.

Starting the Game

Save Slot

You have three save slots. You can view information about each of your saves in the menu. You can continue existing saves or select START ANEW to overwrite the data.

In co-op, progress will ONLY be saved in the slot picked by the primary player.

Joining

To switch to co-op, press any button on a second Xbox One Wireless Controller.

To return to single player, go to the menu with the other player and select SWITCH TO SINGLE PLAYER.

Level Select

The story levels can be entered through the glowing portals **inside** the main room of the lighthouse. Jump into one to start the level. The levels are arranged sequentially from the bottom floor to the top floor.

Bonus levels are found in the areas **outside** the main room and are entered in the same way.

Saving

Progress is saved automatically between levels and at every checkpoint (indicated by the locations where the glowing spark waits for you).

Gameplay

You control two characters, even in single player. You can carry to merge them into one character for easy movement, or drop and switch between them when you need two characters to solve puzzles.

Grab the connecting yarn to swing from the other character. This will let you swing across much bigger distances than you could jump. You can also pull on yarn that you have tied to objects.

To make a yarn bridge, tie the yarn between two nearby attach points. A successful bridge will sparkle, meaning Yarny can walk on it or push objects over it. You can bounce on a bridge for extra height by jumping on it.

Ask for hints whenever you are stuck on a puzzle. The hint button shows you three increasingly specific hints.

If you are stuck in a platforming section, use slow motion to slow down time and make it easier to get through tricky sections.

Warranty

Note: This warranty does not apply to digital download products.

Limited Warranty

Electronic Arts warrants to the original purchaser of this computer software product that the recording media on which the software programs are recorded will be free from defects in materials and workmanship for 90 days from the date of purchase. During such period defective media will be replaced if the original product is returned to Electronic Arts at the below address, together with a dated proof of purchase, a statement describing the defects, the faulty media and your return address. This warranty is in addition to, and does not affect your statutory rights in any way. This warranty does not apply to the software program themselves, which are provided "as is", nor does it apply to media which has been subject to misuse, damage or excessive wear.

Returns After Warranty

Electronic Arts will replace user-damaged media, current stocks allowing, if the original media is returned with a Eurocheque or postal order for £10 per disc, payable to Electronic Arts Ltd. If you have any queries on warranty replacements or user-damaged discs or manuals, please e-mail us on **uk-warranty@ea.com** Please note that this is only for warranty and NOT technical queries. Please remember to include full details of the defect, your name, address and, where possible, a daytime telephone number where we can contact you.
